BEIT AL RAZZAZ

Historical Background

Bayt Al-Razzaz is a magnificent historical mansion located in the heart of Cairo's district, Darb Al Ahmar, the mansion was built on two stages

Mamluk origins: the eastern part of the complex dates back to the15th century, constructed during reign of the mamluk sultan Qaitbay . this section showcases the grandeur and intricate details characteristic of mamluk architecture.

Ottoman Expansion : in 18th century, the western part was added by Ahmed Katkhuda AL-Razzaz ,a wealthy rice merchant. This expansion connected the two parts, creating a vast and impressive complex.

Project overview

Summit construction was responsible for the structural repair , adaptive reuse and renovation of eastern part of Bayt Al Razzaz

Client

Ministry of Antiquities and Tourism

Scope

SAFI AL DIN GOWHAR

"It was established by Safi al-Din Jawhar al-Nasiri al-Maliki, also known sometimes as Sidi Muqaddam of the Sultanate Mamluks during the days of the Bahri Mamluk Sultan Baybars al-Jashankir, in the year 714 AH/1314 AD. It is located on Rukibiya Street, branching from Sulaibiyah Street in the Khalifa neighborhood in the city of Cairo. It consists of an irregular rectangular space divided into a dirka (entrance hall) followed by the main entrance. This dirka leads to an open courtyard and the burial dome, which is preceded by a prayer area on its southeastern side.

Project overview

Summit Construction Company was assigned as a company specializing in restoration works and everything related to restoration. The company was assigned to implement dewatering system to Safi al-Din Dome .
